EVENTS

Pentathlon GB are proud to host a series of National Championships throughout the year, these Championships represent an opportunity to compete at the highest level in the United Kingdom, to gain experience at a major event and to enjoy a fantastic sport with your peers.

National Championships have age classes from 9 to 70+, so there really is something for everyone to enjoy and to aspire to. Getting to one of our National Championships takes time, and we celebrate the fact that these are the best in Britain so the standard is high and the competitive spirit is fierce. However, Pentathlon will always be a sport for everyone, and the competitiveness of our events are matched with sportsmanship, kindness, inclusion and support for anyone who wishes to have a go, to improve and to enjoy the experience.

You will always be able to find a copy of our upcoming events on our <u>website</u>, so do head there to check first.

Don't forget, Pentathlon GB only run the National Events but there are plenty more of intra- school, intra- school, local, county or friendlies run across the country that you are all welcome to get involved in.
